Time-of-Service Payment Plans

We have four time-of-service plans:

1. Time-of-service payment for chiropractic adjustments includes chiropractic adjustment, cold packs, use of the spinalator and therapies lasting less than 8 minutes. Therapies lasting longer than 8 minutes will incur additional charges.

2. Prepayment are available for chiropractic and massage

6 Chiropractic Visits	\$300 (\$60 savings)
4 Chiropractic + Manual Therapy	\$300 (\$20 in savings)

3. Same day Multiple service.

If you receive multiple treatments on the same day you receive additional discounts
 Massage on the same day as chiropractic will receive \$5 off

Health Insurance

We accept most insurance Out-of-Network benefits. However, not all insurance provides for chiropractic care in the same amounts. We will assist you in verifying your chiropractic coverage. You will be expected to pay your deductible first and are responsible for any co-insurance payments at each visit.

There are a few plans we cannot file under: Kaiser and other HMO plans but you are welcome to submit a detailed receipt from our office.

Personal Injury or Auto Accident

Medical Payments Coverage will be billed by our office

If you do not have Medical Payments Coverage you must sign a lien and have an attorney holding the lien for you or have you pay at time of service.

More information at www.washparkchiro.com/new-patients/auto-accident

Medicare

We are a Non-participating Provider with Medicare. You are responsible for your co-payment, deductible, plus any charges that are not covered or disallowed by Medicare. Medicare covers ONLY the SPINAL ADJUSTMENTS and only allows a maximum number per year (20-24).

You are responsible for exam fees, manual therapy and any spinal adjustments that are not deemed medically necessary.

Please direct any billing questions to frontdesk@washparkchiro.com

Hourly Fees

\$500/hour for narrative reports, testimonials, interviews, professional fees
